EUDA Health Holdings Limited (formerly known as 8i Acquisition 2 Corp.) (the "Company") has determined that it is unable to file with the Securities and Exchange Commission (the "SEC") its Annual Report on Form 10-K for the fiscal year ended December 31, 2022 (the "Form 10-K"), within the prescribed time period without unreasonable effort or expense due to the reasons described below. The Company is working diligently to file its Form 10-K as soon as possible, but does not expect to be in a position to file the Form 10-K by the extension date. The management of the Company has been working diligently to complete all of the required information for the Form 10-K, and a substantial part of such information has been completed as of this date. If answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof ?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

On November 17, 2022, the Company consummated the previously announced business combination contemplated by the Share Purchase Agreement (the “SPA”) between 8i Acquisition 2 Corp., a British Virgin Islands business company (“8i”), EUDA Health Limited, a British Virgin Islands business company (“EHL”), Watermark Developments Limited, a British Virgin Islands business company (“Watermark” or the “Seller”), and Kwong Yeow Liew, dated April 11, 2022 and amended May 30, 2022, June 10, 2022, and September 7, 2022. As contemplated by the SPA and described in the section titled “Proposal 1 —The Business Combination Proposal” beginning on page 107 of the definitive proxy statement dated October 13, 2022 (as amended on November 7, 2022 and November 9, 2022, the “Proxy Statement”) and filed by 8i with the SEC, a business combination between 8i and EHL was effected by the purchase by 8i of all of the issued and outstanding shares of EHL from the Seller (the “Share Purchase”), resulting in EHL becoming a wholly owned subsidiary of 8i. In addition, in connection with the consummation of the Share Purchase, 8i has changed its name to “EUDA Health Holdings Limited.” The transactions contemplated under the SPA relating to the Share Purchase are referred to as the “Business Combination.”

As a result of the Business Combination, the Company anticipates that its results of operations for the fourth quarter and year ended December 31, 2022 when filed in the Form 10-K will reflect significant changes from the fourth quarter and full fiscal year ended December 31, 2021.

Until the audit is complete, and the results are evaluated by the Company’s management and the Company’s independent registered public accounting firm, the Company cannot currently quantify such changes to its preliminary results of operations or financial condition for the fourth quarter and full year ended December 31, 2022.

Forward-Looking Statements

This Form 12b-25 contains forward-looking statements, including statements about the financial condition, results of operations, earnings outlook and prospects of the Company. In addition, any statements that refer to projections, forecasts or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking statements. Forward-looking statements are typically identified by words such as “plan,” “believe,” “expect,” “anticipate,” “intend,” “outlook,” “estimate,” “forecast,” “project,” “continue,” “could,” “may,” “might,” “possible,” “potential,” “predict,” “should,” “would” and other similar words and expressions, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements are based on the current expectations of the Company’s management and are inherently subject to uncertainties and changes in circumstances and their potential effects and speak only as of the date of such statement. There can be no assurance that future developments will be those that have been anticipated. These forward-looking statements involve a number of risks, uncertainties or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those discussed and identified in public filings made with the SEC by the Company.
